Hello to the UAMA Community,

I hope that this finds you and your family safe and healthy.

I am writing to answer some of the questions that have arisen regarding the administration of June Regents exams. As many of you are aware, the State Education Department of New York announced on 4/7/202 the cancellation of all June administered Regents exams.

This means that any UAMA student who is presently enrolled in a class that was registered to end with a Regents Exam in June will have that exam waved, and it will qualify on their transcripts for meeting the New York State graduation requirements for that course. We will be reaching out over the next few weeks to the specific students affected by this announcement.

Please don't hesitate to reach out if you have any questions, and please be sure to stay safe and healthy.

Sincerely,

A handwritten signature in blue ink, which appears to read "Paul J. Thompson". The signature is fluid and cursive.
