Hello to everyone in the UAMA community,

I hope that this letter finds you safe and healthy as we all confront these disorienting times. I've been asked by the Office of the Chancellor to share the below attached letter with you.

As many of you are aware, the Chancellor published a letter to families on 4/11/2020 announcing that all NYCDOE school buildings will be closed for the remainder of the academic school year through September.

Please know that we have been planning as a staff under the assumption that schools will not reopen this school year. While this is difficult news to process now that it is released, we have internally mapped out how we will work through the end of school maintaining as many of the normal checkpoints and milestones that we've developed over the years at UAMA. We will share more information as we finalize plans for our kids' learning.

Please stay safe and healthy.

Sincerely,

A handwritten signature in blue ink that reads "Paul Jonathan Thompson".
