## NYC School Survey:

Every year, all parents, teachers, students in grades 6-12 and select school support staff take the NYC School Survey. The survey helps school leaders understand what key members of their school community think about the learning environment at their school.

Families should enter “f” followed by their child’s nine-digit Student Identification (OSIS) Number to access the survey. Note that “f” must be lowercase. Families can find their child’s Student Identification Number on their report card, student ID card, or New York City Schools Account (NYCSA).

## NYC School Accounts:

Parents should have received an email with their account creation letter and a guide for creating their NYC Schools Account. Please create this account to access student grades, attendance records, or request report cards and transcripts. If you have any questions or need assistance creating your account, please reach out to our parent coordinator, Ms. Copeland, at [copeland1@uamusicandart.org](mailto:copeland1@uamusicandart.org)

## Blue Cards:

We are asking all families to complete our online blue card at the link below.
